Inspired by the world in which we live.... being curious, respectful, resourceful and determined

P.E. Times

Dear Parents and Carers,

This year, the children in all the classes will be having two sessions of P.E. a week. The days for each class are as follows:

Ash Class	Maple Class	Willow Class	Beech Class
*	Tuesday afternoon	Monday afternoon	Monday afternoon
Thursday afternoon	Friday afternoon	Wednesday afternoon	Wednesday afternoon

*Ash Class: your additional P.E. will take place in shorter sessions throughout the week. The children will be able to do these activities in their normal school uniform due to the nature of the activities they will be doing. More information will be sent as part of your class welcome letter at the end of the week.

Please make sure that your children come to school on their P.E. days wearing the correct P.E. kit. It is also useful if they have a coat suitable for P.E. as all of our P.E. will have to be outside. Where the weather does not make it possible for P.E. outside, we will be completing other activities in the classroom linked to physical and mental health, sportsmanship and keeping healthy.

More information that is specific to each class will be sent shortly. This will include curriculum overviews and a welcome letter with information that is more specific to your child's class. Please bear with us; some of this information may change over time as guidelines change, or as we see that we may need to tweak our procedures for safety reasons. Your understanding is appreciated by us all as we navigate through this uncertain time.

Kind regards

Joanna Crathorne
Head of School
