Dear Parents and Carers,

Three Peaks Challenge/ Young Minds Trust

As you may be aware, we were planning to do the Three Peaks Challenge this weekend. The team had trained hard over the summer and we even managed a day trip to climb Snowdon. Thank you to all those people who have made a contribution to the Young Minds charity, we have now raised over £2700. Please find the link below...

With positive cases of Covid increasing and tighter restrictions in North Wales, Northwest England and Scotland, it no longer feels like the right time to undertake this challenge. We have therefore taken the decision to delay our attempt at the Three Peaks Challenge until 28th of May 2021, when hopefully the situation will have improved.

We are going to continue to raise money for the Young Minds Trust over the remainder of this academic year and the money raised, will be added to the JustGiving page.

Thank you for your continued support and we will keep you updated about our plans to complete the challenge in the near future.

Kind regards.
