

# Stokeinteignhead Primary School

## A Typical Day in Ash Class

Time	Activity
8:40am – 8:50am	You wait on the playground outside for the side gate to open. You walk through the outside area to the classroom door where your teacher will be waiting. You say goodbye to your adult and come into school. You hang up your coats and bags and do a morning activity.
8:50am	We do the register and choose what we would like for our lunch.
9am- 9.30am	<b>Phonics</b> We learn to say, read and write sounds.
9.30am- 10.15am	<b>Maths/ English</b> We come to the carpet to have an input together with the teacher and then we go to our independent learning time. This might be inside the classroom or in our outside area. Sometimes we work in small groups with an adult in our class on a special activity.
10.15am- 10.30am	We have snack time and a story together.
10.30am- 10.45am	We have playtime in the playground with our year one friends.
10.45am- 11.40am	<b>Maths/ English</b> We come to the carpet to have an input together with the teacher and then we go to our independent learning time. This might be inside the classroom or in our outside area. Sometimes we work in small groups with an adult in our class on a special activity.
11.40am- 12pm	We tidy up and wash our hands ready for lunch.
12pm-1pm	<b>Lunch time</b> We eat our lunch in the hall with our friends and with some adults that we know. After we have finished, we go out to play on the playground with our friends in year one.
1pm	We line up in the playground and come back into the classroom for a drink and the register.
1.10pm- 2.40pm	<b>Learning Challenge Curriculum</b> We come to the carpet to have an input together and then we go to our independent learning time which is inside and in our outside area. Sometimes we work in small groups with an adult in our class on a special activity. We also have a play outside in the afternoon.
2.40pm- 2.50pm	We tidy up and get all our things to go home
2.50pm- 3.10pm	Story time and then home time. Our adults pick us up from the same place that they dropped us off in the morning.

This is an example day of a usual day in Ash Class.

The day outline may change depending on the needs of the cohort and what else we are learning as a whole school.

Over the course of the week every child takes part in guided activities with an adult.

During our independent learning time, we do different activities that have been planned by our teachers. These are linked to the over-arching maths and English objectives for the week and the topic that we are learning about.

As the year progresses, we will start attending the whole school assemblies in the hall.

On Thursday\* we have a P.E. lesson led by a teacher from Achieve 4 All and supported by the teaching assistants.

**\*Days may change in September 2021.**
