To the parent/carers of

We are delighted that you have confirmed Stokeinteignhead as your chosen school and we cannot wait to welcome you and your child into the Stokeinteignhead Primary School family.

In order to make your child's transition to primary school a smooth one, we have organised some opportunities for parents and children to visit the school for some induction sessions. These sessions are designed to allow you and your child to meet the teachers and the other adults that work at the school, as well as the other children in their class. It is also a chance for the children to familiarise themselves with their new environment and for us to give parents/carers information to help put your mind at rest about your little one starting school.

Please be aware that the induction visits will need to be managed in line with our Covid-19 arrangements. Parents will be required to wear a face mask when inside the school building, unless exempt from doing so. Should any of the current Government guidance change before any of the following events, we will contact you as soon as possible with an alternative plan.

With this in mind, you are warmly invited to attend the following sessions:
